

Certified Cider Professional

A program of USACM

Level 1 Details:

- Level 1 is a self-study program. Study materials are made available to you for free. The exam is designed to require studying, and non-cider makers will especially need to review fermentation and processing of cider.
- The exam is online.
- Each test fee includes two test attempts within a 30-day period.
- The exam covers material from several categories: apples, fermentation, processing, history and taste/style.
- A passing score is 85%.
